

Laurence Munns Area Sales Manager, Playdale Playgrounds

Personal Statement

After seven years in Health and Leisure I moved into the play industry. As well as a thorough understanding of Fitness, Sales and Health & Safety I brought with me extensive experience in customer care. I use this knowledge to ensure my customers receive excellent customer service. Not only at point of sale but throughout the process from order to installation of new playground equipment. I am a keen sportsman and will play (and watch) almost anything. I am really looking forward to developing both new and existing relationships.
