FUSE™

PLAY FOR ALL

The Fuse™ play structure brings multiple play experiences together in one dynamic unit – a true playground in one.

WHERE INNOVATION MEETS IMAGINATION

Available in 1.5m and 1.9m heights with three variations, Fuse provides exciting routes that encourage children to plan, climb, balance and explore.

Fuse supports problem solving and creative thinking while delivering a compact, adventure-filled play experience.

FUSE 1.5

APP/1.5/1

FUSE 1.5 PLAY SYSTEM 1

The largest in the Fuse 1.5m range, this all-in-one play system combines an inclusive seating area, balance steps, tunnel, traversing nets and overhead bars, all connected to a central tower with slide with access ramp.
